12 February 2002

MEMORANDUM FOR: [Redacted]  
FROM: [Valerie Wilson]  
OFFICE: DO/CP/[office 1]  
SUBJECT: Iraq-related Nuclear Report Makes a  
Splash  
REFERENCE:

The report forwarded below has prompted me to send this on to you and request your comments and opinion. Briefly, it seems that Niger has signed a contract with Iraq to sell them uranium. The IC is getting spun up about this for obvious reasons. The Embassy in Niamey has taken the position that this report can't be true – they have such cozy relations with the GON that they would know if something like this transpired.

So, where do I fit in? As you may recall [redacted] of CP/[office 2] recently [2001] approached my husband to possibly use his contacts in Niger to investigate [redacted] [a separate Niger matter]. After many fits and starts, [redacted] finally advised that the Station wished to pursue this with liaison. My husband is willing to help if it makes sense, but no problem if not. End of story.

Now, with this report, it is clear that the IC is still wondering what is going on... my husband has good relationships with both the PM and the former Minister of Mines (not to mention lots of French contacts), both of whom could possibly shed light on this sort of activity. To be frank with you, I was somewhat embarrassed by the Agency's sloppy work last go round and I am hesitant to suggest anything again. However, [my husband] may be in a position to assist. Therefore, request your thoughts on what, if anything to pursue here. Thank you for your time on this.
